## GOLF RETREAT with RICK @ TRUMP NATIONAL DORAL

Come learn your swing for a lifetime with Rick Smith who has been ranked one of the top instructors in the world for many years and his elite certified instructors. Rick's many players have won over 100 PGA TOUR wins and multiple major championships. Rick and his team are excited to share their knowledge with you over a multi-day golf retreat. It features some of the best technology to improve the communication of your swing needs and on course instruction. Rick and his team's approach is not a cookie cutter concept. It is based on your physical makeup and is geared around your needs from a swing standpoint. This one of a kind school is with Rick and his certified elite instructors. You will have the opportunity to learn what Rick does with all of his tour players. However, he will be applying this approach to you individually and your needs. You will learn what is the best swing for you.
